Book Publishing Process

The entire publishing process is conducted online via phone, email, or WhatsApp. All you need to provide is your **FINAL** manuscript that includes the *Preface, Dedication, Acknowledgements, About the Author, Foreword*, etc., in a **single** MS Word or Google Docs file. I will take care of the interior/cover design and help you publish it globally. Once published, your book will be available in both Paperback and eBook formats, and customers can order it online through the platforms below.
